In order to activate this award:

- 1. New fellows or those changing financial institution, complete the Automated Clearing House (ACH) Enrollment Form (SF-3881) for NIH to make stipend payments from the U.S. Treasury via Electronic Funds Transfer.
- 2. Health insurance information is attached. Please read the IMPORTANT notation on that form about coverage. After FAES signs the relevant sections, please return to the IC Approval Official listed below.
- 3. If you terminate your fellowship prior to the AWARD PERIOD TO above, we must be notified at least 8 weeks prior to your departure date. If received after this 8 week deadline, then you may be personally responsible for hand carrying the form through for clearance.

This is very important if a one-time advance stipend payment has been approved at the start of your fellowship since you will be personally liable for the overpayment.

4. Please verify the accuracy of the above information. If you concur, you and your sponsor must sign below, return a copy to the IC Approval Official, and retain a copy for your records. If your local address changes, please notify your IC Approval Official.
